THURSDAY	Cross Stitch Club	P3-7
	RSPB Challenge Club	P3-7
FRIDAY	Film Club	P4-7

Breakfast Club

Super to see so many of you using our Breakfast Club service. A healthy breakfast followed by different activities including board games, junk art etc

The children are fully supervised and the total cost is 50p per day.

Healthy Break We would like to remind all parents that we operate a Healthy Break Policy. Crisps, sweets and confectionary are discouraged at break time in favour of fruit, vegetables, dairy and bread based snacks.

Remember we are a

Nut Free School.

Everyone has returned from a lovely Easter break. We hope you enjoyed your Easter holidays and had a lovely time with family and friends. It is hard to believe it is the last term of school and what a busy term it will be. We have new clubs for our final term and also lots of exciting educational trips and outside agencies coming in to hello.

P1&2 Visit Maghera Library, Walled Gardens and the Dentist

The children thoroughly enjoyed the fun-filled and jam-packed day! The day began in Maghera Library where the librarian read an array of rib tickling stories! The children were introduced to 'Dirty Bertie' - a little boy who was rather enamored with his nose! Then came the 'Pig in Pink Knickers!' If your knickers ever go missing from the washing line ... just ask your child to tell you who might be wearing them! At the end of the story a very unhappy pig lost his knickers, however there were lots of giggles when even I couldn't guess what item of clothing the pig wore next!!! The session ended with a variety of action rhymes and a sing song. Feel free to pop in at any time, you will be made most welcome! Fortunately for us the sun came out and we had a lovely walk around the walled gardens followed by a picnic lunch!

Lastly, but certainly not least, we headed off to the dentist and were met by a very cheerful, Mrs Henderson. She showed the children her surgery and spoke to them about looking after their teeth. They all had an opportunity to be either the dentist, dental nurse or the patient. Mrs Henderson and all the other staff present made the children feel at ease and gave them lots of reassurance about going to the dentist.

P.T.A Bunny Drive

Our little school was full of noise, laughter and dice rolling just before we had our Easter break. It was brilliant to see this event supported so well by those in the school and by the local community. There was lots to do, with guess the weight of the super chocolate cake, guess the number of sweets in the mega jar and even a chance to win a lovely cuddly toy. A massive thanks to the P.T.A. for organising such a successful event for our school. The prizes and catering on the night really made the event. A special thank you to our local businesses for allowing us to advertise and place some of our "guess the" competitions. Also to Crawfords for super buns and to our local celeb Lawrence for making the night tick over so quickly. The event raised over £380 which will be used to improve our after school activities provision and also out door play. We hope you enjoyed the evening and all that it involved.

After school Clubs

This term we are able to offer Spanish to our children on a Wednesday afternoon. There will be no charge for the club, thanks to the money which has be raised through our P.T.A. We are presently working towards our green flag and would encourage anybody within our school community with "Green Fingers" to please get in touch. Eco Club on a Tuesday and RSPB Challenge Club on a Thursday will be helping to improve and add to our lovely outside areas.
