DAY	CLUB	AGE GROUP
MONDAY	Booster Club	P6
TUESDAY	Coding Club	P3-7
WEDNESDAY	Netball Club	P4-7
THURSDAY	Cross Stitch Club	P3 -7
FRIDAY	Film Club	P4-7

Breakfast Club

Super to see so many of you using our Breakfast Club service. A healthy breakfast followed by different activities including board games, junk art etc

The children are fully supervised and the total cost is 50p per day.

Healthy Break We would like to remind all parents that we operate a Healthy Break Policy. Crisps, sweets and confectionary are discouraged at break time in favour of fruit, vegetables, dairy and bread based snacks.

Remember we are a

Nut Free School.

The weather has tried to dampen our spirits but in Tobermore we are having lots of fun learning and playing together. Recently we have had different visitors to our school and it has been lovely to hear positive remarks about behaviour and manners. Well done to all.

P1/2: Interviewing Mrs O'Neill

Our topic this term is 'People Who Help Us'. The children have been thinking and learning about people who help us in school. This week the children had to think of lots of questions to ask Mrs O'Neill, our school secretary. Next we wrote a letter which was delivered by 'Postman Ethan', (move over Postman Pat!), inviting Mrs O'Neill to sit in our hot seat! The boys and girls asked her lots of interesting questions about her job; "How do you run an office?", "What do you do with all the money?", "Where do all the letters and notes go?" etc. After all that Mrs O'Neill took P1& 2 on a tour of the office. They were very keen to help her count the money, file letters away and record the dinner numbers. A huge thank you to Mrs O'Neill for giving up her time so generously - we all had a super time!

P.3/P.4/P.5: Art and Drama

One of our Arts lessons this week was centred around, characters within Drama. Children were developing their dramatic skills where they got to use simple props and costumes to suggest character. The children had brilliant fun taking on different roles and there was lots of laughter. We had guitar playing pop stars, pirates, clowns, scary teachers and even some boys in high heels! The children really threw themselves into the lesson and their hot seating skills and improvisations were super. Some of them could be accepting Oscars in the future!

P6+7: BEAM Workshop

Tobermore Primary School have been very fortunate. BEAM workshop visited our P6/7 children and spent a super session about being online and the different accounts and apps we all use. The children demonstrated a brilliant knowledge and worked well in the workshop, taking part and voicing their opinions. The children learnt how to be a good online citizen, how to keep personal details private and why, how and why accounts should be private and not public and lastly when online and chatting/messaging people how to block/delete and tell an adult. Everyone had a great time and learnt a lot from the sessions. We thank the BEAM team and Martin Allen for all their help and support. "I learnt that if a hacker is in your account for only 3 seconds they can get lots of information" Ben Craig P6
