(3:00–4:00pm) P3-7

AFTER SCHOOL CLUBS

DAY	CLUB	AGE GROUP
MONDAY	Booster Club	P6
TUESDAY	Coding Club	P3-7
WEDNESDAY	Netball Club	P4-7
THURSDAY	Cross Stitch Club	P3 -7
FRIDAY	Film Club	P4-7

Breakfast Club

Super to see so many of you using our Breakfast Club service. A healthy breakfast followed by different activities including board games, junk art etc

The children are fully supervised and the total cost is 50p per day.

Healthy Break We would like to remind all parents that we operate a Healthy Break Policy. Crisps, sweets and confectionary are discouraged at break time in favour of fruit, vegetables, dairy and bread based snacks.

Remember we are a

Nut Free School.

The weather is improving and we are having lots of fun learning and playing together. Hard to believe Easter is now not far away. We look forward to our Easter assembly and Super Bunny Drive with lots of fun for old and young.

P1/2: 'People Who Help Us'

As part of our topic, 'People who help us', this week's play has focused on the role of the mechanic and the help we get from the garage. The children have really enjoyed the imaginative play area; cars have been test driven, tyres checked, reverse lights checked and even set up on blocks and given a full 'MOT' underneath! At closing time all the vehicles were carefully reversed into position and locked up for the night! A huge thanks to everyone for sending in the bubble cars – the children thoroughly enjoyed playing with them. We are all looking forward to our trip to J&B Tyres on Tuesday 4th April.

P.3/P.4/P.5: FOOD Topic visit

The Topic our class have been delving into with great enthusiasm this term has been the topic of FOOD. On Thursday 23rd March our class had a wonderful opportunity to visit our local Domino's pizza restaurant in Magherafelt. From start to finish it was a superb trip. They had us laughing from the time we entered, until we left again. Firstly we got to go inside the chill room where we got to see all the ingredients used within the restaurant. Then the children all got to take orders and process them at the tills and had a competition to see who could create the most expensive pizza. After that everyone had to make their own pizza box in record time. After Christina's fun and floury demonstration, everyone scrubbed their hands and got to work, to roll out the dough to create their own pizza base. Some children added tomato sauce and some added BBQ sauce. After all the bases were complete it was topping time.....everything from pepperoni to smelly goat's cheese. When they were all sky high with toppings they were ready for the 240 degrees oven. The smell of them coming out the end of the oven was mouth-watering. The last treat of the day was when Danny the mascot came to say goodbye and gave us all sweets to take home. We would like to thank Domino's for the invitation.

P6+7: Mid Ulster Council - Walled Garden Project

We had a lovely morning when Lorraine Gardner from the Walled Gardens in Maghera came in to help us complete some work. Firstly she told us where the garden was and the different plants and vegetables that she grows there. She explained that we were going to paint some slates that she could use so she knows what is planted in each bed. We were each given a slate, a pencil, some paint and the name of a vegetable. We wrote the name of the vegetable at the top before drawing and painting the vegetable underneath. Our next activity was to plant some pea seeds. We used newspaper and a little wooden turner to make a small pot. Lorraine told us we were using newspaper because she was going to plant them in her garden and paper decomposes in the soil. Lorraine was very impressed with our work and was excited to take it back to the garden. This was an enjoyable day and we look forward to visiting the garden where our masterpieces can be seen. We also hope to plant some vegetables in our own school garden in the summer term.
