

Tobermore Primary School School Milk Scheme: **October 2017 Order**

Dear Parent,

As we order our milk on a monthly basis, we very much appreciate efforts made by you at home to have your orders with us by the closing date for orders.

The price of school milk has now increased to 21pence per bottle.

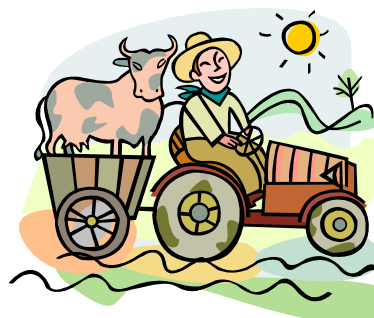

It would be very much appreciated if you would return the milk order form and payment by **Tuesday 26th September**, so that we can confirm this month's order with the milkman.

Many thanks for your help.

Tobermore Primary School Milk Order Form for October 2017
