

Tobermore Primary School School Milk Scheme: **January & February 2018** **Order**

Dear Parent,

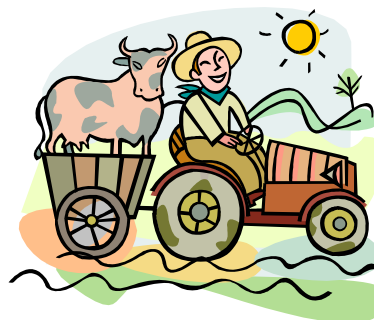

Please note this form is for both January and February milk orders.

The price of school milk remains at 21pence per bottle.

It would be very much appreciated if you would return the milk order form and payment by **Tuesday 12th December**, so that we can confirm the order with the milkman.

Many thanks for your help.
