- Wednesday** -Numeracy & Literacy
Fun (NLF)
- Thursday** - Booster Club (P7 only)
Drama (P3-P7)

Breakfast Club

Super to see so many of you using our Breakfast Club service. A healthy breakfast followed by different activities including board games, junk art etc
The children are fully supervised and the total cost is 50p per day.

Healthy Break We would like to remind all parents that we operate a Healthy Break Policy. Crisps, sweets and confectionary are discouraged at break time in favour of fruit, vegetables, dairy and bread based snacks.

Remember we are a

Nut Free School.

October is here and so is the lovely weather! We would remind all children to wear a coat to school. We would encourage the pupils to play outside in the dry and cold weather.

P1/2: Physical Education

P1 and P2 have been developing their skills in gymnastics. They enjoyed investigating and exploring different ways of travelling on their feet, hands and feet and other body parts. They pretended to travel through the jungle using all the skills and methods taught when travelling at different levels and speeds. Please visit our school website to see some more photographs

P.3/P.4/P.5: Our Buddy Bob

P.3, P.4 and P.5 completed a really fun Literacy lesson this week. It all centred round Bob, our school fish. Over the summer Bob went on his holidays to a tank in a nearby hospital. He is now back, with us and we are so glad to see him. The class came up with some wonderful adjectives to describe Bob, some of which included friendly, scaly, bubbly and shy. We then went on to ask questions to Bob. The children came up with some brilliant questions, which included....Did Bernie our swimming instructor teach you how to swim? Do you like to see Mrs Kelly's beautiful face first thing in the morning? Why do you like entertaining us by eating stones? What gave you the opportunity to come to our school? We all gathered around to get a photo of Bob. He was a little camera shy at times but we eventually got him in shot.

P6+7: Computer based assessment

The children in P4-7 have been working very hard and trying their best in the NINA and NILA tests. All of the children have been given an opportunity to access the practice section to perfect their computer skills before they begin the tests. As a school we are very lucky to have a computer suite with such resources. All results and stats will be discussed in the parent teacher interviews on Monday 24th to Wednesday 26th. ALL CHILDREN TO LEAVE AT 2PM ON THESE DAYS.

Shoebox Appeal-

All children have received an 'Operation Christmas' Shoebox Appeal flyer. If you would like to give a less privileged child a special Christmas surprise, please leave your filled shoebox in to school as soon as possible. Remember it is still possible to purchase a "Go box" for 50p. Thank you for your donations.
