TUESDAY	N/A	N/A
WEDNESDAY	Christmas Craft Club	P4-7
THURSDAY	Choir Club	P3 -7

Breakfast Club

Super to see so many of you using our Breakfast Club service. A healthy breakfast followed by different activities including board games, junk art etc

The children are fully supervised and the total cost is 50p per day.

Healthy Break We would like to remind all parents that we operate a Healthy Break Policy. Crisps, sweets and confectionary are discouraged at break time in favour of fruit, vegetables, dairy and bread based snacks.

Remember we are a

Nut Free School.

The children have returned from a relaxing week off, as have the staff. Everyone is ready for the busy time leading up to Christmas. We have a number of fun filled activities taking place over the next two months. Please keep checking the school website for updates.

P1/2: Literacy Activities

The children in P1 had lots of fun this week thinking about how many syllables are in words. Activities included clapping, tapping and beating the number of syllables in a variety of words using our body parts and musical instruments. Then the children had to sort words into the correct hoop depending on whether it had 1, 2 or 3 syllables.

P2 children were learning all about alphabetical order. They had to see if they could get into alphabetical order before the timer was up! They worked really well as a team and ... yes they managed to beat the timer (after a little practice) – phew!

P.3/P.4/P.5: Money, Money, Money!

The children have been working very hard, in their topic of 'Money' this term. They have been using coins to make amounts, adding amounts and calculating change, sorting coins and problem solving. They have really enjoyed the practical element of this topic. Please try, when possible, to let children deal with money in everyday situations. For example, counting out money for school dinners, milk money, trips, etc. Encouraging children to use money in shops when buying items. We look forward to many more exciting money lessons this term. It is just a pity at this time of the year it didn't grow on trees!!!

P6+7: Stop Bullying Posters

In P6/7 we have been thinking about the issue of bullying. As part of our anti-bullying week the class designed posters to help other children in the school. The posters ranged in design and super colours.

Each child selected a spot in the school to place their poster and made sure everyone would be able to read the advice and learn from the information. Well done to all for such great ideas and different ways in which we can deal with the issue of bullying.

Everyone has enjoyed the various activities this week and have shown their support by wearing an item of blue clothing.

Whole school attend war memorial service-

The children from Tobermore Primary School felt very honoured and humbled to be invited to attend the war memorial for the armistice service. The new memorial in town looks amazing and is an excellent source of local information. The children attend the service wearing their poppies and were fully aware of the reasons behind the day and the importance of the minutes silence at 11 o'clock.

www.mychildsart.co.uk-All of the children in Tobermore Primary School have individually designed their own Christmas pictures. Please take the opportunity to have a look at your child's artwork online to purchase personalised gifts and Christmas items. USERNAME: Tobermore2016 Password : Tobermore41f3
