The after effects of Christmas have been blown away with the recent weather and everyone in school is back in the swing of things. Please keep checking the school website for updates. Our school calendar will indicate all events occurring in school.

P1/2: I Fell

Circle Time and PD&MU lessons this week were all about keeping safe and what to do if you hurt yourself or were feeling sad about something. The children discussed and acted out different classroom and school scenarios. We talked about who you should go to if you needed help and if you fell or bumped into someone you should always tell someone. Please reinforce this message at home as it is important to us that every child feels happy and secure in their school environment.

P.3/P.4/P.5: Our Safe People

In class this term, we have been learning about being safe inside and outside of school. We have created a wonderful display of "Our Safe People". These included people such as ministers, school staff, football coaches, extended family members and many more. We then moved on to discuss people who help us, in particular in our school environment. The children came up with lots of different people and a range of ways in which they help. One of these people was Mr Bradley, the school's Crossing Control man. The children discussed how he looks after them while crossing the road and how he always takes care of them. They also talked about how they trust him and how kind and friendly he is towards them. By the look of the big bag of Christmas presents he carried home, he is one popular guy!

P6+7:RADAR TRIP

Our visit to the RADAR Centre was organised in cooperation with the Mid Ulster Policing and Community Safety Partnership (PSCP). The visit covered a number of scenarios:- Road Safety, Fire Safety, Personal Protection, Anti-bullying, Anti-social Behaviour, E safety and Farm safety. The trip was fully funded by the PSCP and supported by our PSNI CASE Officer. We can't thank the staff enough for what proved to be a brilliant day. Everyone enjoyed the various scenarios. A very worth while day.
