**Breakfast Club**

Super to see so many of you using our Breakfast Club service. A healthy breakfast followed by different activities including board games, junk art etc. The children are fully supervised and the total cost is 50p per day.

**Healthy Break** We would like to remind all parents that we operate a Healthy Break Policy. Crisps, sweets and confectionary are discouraged at break time in favour of fruit, vegetables, dairy and bread based snacks.

**Remember we are a  
 Nut Free School.**

Everyone is ready for the busy time leading up to Christmas. We have a number of fun filled activities taking place over the next month. Please keep checking the school website for updates. Our school calendar will indicate all events occurring in school.

**P1/2: Shape and Space**

P1 & 2 children have been busy learning and developing their knowledge of 2D and 3D shape. Activities have included sorting shapes using Venn and Carroll diagrams, matching the shapes to everyday objects, shape hunts and using the shapes to create patterns and structures. Homework activities have also been centred on revising and consolidating the children's knowledge of shape. Have lots of fun at home looking for shapes in books and in your homes.

**P.3/P.4/P.5: Lovely Lanterns**

In our Art this term we have been exploring colour, tone and texture to express ideas. The children had a great time creating their own Winter Lanterns. They added lots of sparkle and shine. If you come to our Breakfast with Santa next Saturday you will see them proudly displayed in the school hall. We have lots more exciting upcoming artwork to produce in the incoming weeks. These include stained glass windows, tree decorations, Christmas pudding cards and much more. Mrs Kelly might not be too pleased about all the glitter!

**P6+7: P7 Buddy Rota**

Our P7 Buddy Rota is growing from strength to strength with every week. The P7 children are enjoying the extra responsibility and also getting to know the P1 and 2 children. Special bonds and relationships are forming which is lovely to see.

The Buddy Rota starts at 9am. Children (Buddies) assist the foundation stage pupils with their coats, hats, gloves etc. More Buddies help at break time with the P1 and 2s taking them to their playground area zone and offer to play and help with resources. The lunch time Buddies assist the children with their lunch boxes and make sure all the P1 and 2 children have everything they need. Then it's fun in the playground, making super use of all the lovely toys and games.

**Open Morning-**

It was lovely to see so many faces at our open Morning. A massive thank you to our special tour guides for the morning. The P7 children did an excellent job of guiding parents and children around our school, showcasing and highlighting things which they enjoy and love.

[www.mychildsart.co.uk](http://www.mychildsart.co.uk)-All of the children in Tobermore Primary School have individually designed their own Christmas pictures. Please take the opportunity to have a look at your child's artwork online to purchase personalised gifts and Christmas items. USERNAME: Tobermore2016 Password : Tobermore41f3
