Uni Hoc
- Wednesday** -Numeracy & Literacy Fun (NLF)
- Thursday** - Booster Club (P7 only)
Drama (P3-P7)

Breakfast Club

Super to see so many of you using our Breakfast Club service. A healthy breakfast followed by different activities including board games, junk art, reading etc. The children are fully supervised and the total cost is 50p per day.

Healthy Break We would like to remind all parents that we operate a Healthy Break Policy. Crisps, sweets and confectionary are discouraged at break time in favour of fruit, vegetables, dairy and bread based snacks.

Remember we are a Nut Free School.

First month of the school year over and our children are well settled and enjoying school life. It has been a very busy month and we look forward to an even busier October.

P1/2: Who Said Maths Was boring?

Who Said Maths Was boring? ...not in P1 & P2!

P2 have been learning their doubles and had great fun working in pairs. They took it in turns to take on the role of 'teacher' and ask, "What is my double?"

P1 had to think of different ways to sort themselves. They had lots of ideas: - They sorted themselves according to hair colour, eye colour and girls/boys.

P.3/P.4/P.5:Searching for mini-beasts

P.3, P.4 and P.5 have been having a fabulous time researching all about mini-beasts. They have been using books, posters, models, and the computer suite to research on the internet. They have found out some weird and wonderful facts about mini-beasts. The children have also created beautiful collages and 3D models. The children really enjoyed using all their energy and making lots of noise while taking on the roll, of different mini-beasts in our Drama classes!

P6+7: MUST Project: Team Building in Parkanaur Forest

The children had a brilliant day. We started with a general getting to know you session followed by a very essential snack! Everyone then got ready for a timed orienteering activity. In mixed groups and supervised by an adult, the children armed with a map, a recording sheet and a stop watch set off exploring the forest and the meadow areas in the hunt for symbols.

This was a great activity with all the children mixing and working together as a team, supporting and encouraging each other.

Lunch followed as we all caught our breaths and got ready for the afternoon session of fun. Bridge building using crates and planks, a blind rope walk in the forest and lastly gutter fun were our afternoon activities. The children and adults had a great afternoon and we look forward to the school based sessions to follow.

TESCO BAG PACK-

Lastly a special thanks to all the P6/7 children and parents who helped with the bag pack in Magherafelt. It proved to be a very busy Saturday and thanks to the very generous people shopping in Tesco we managed to raise over £800!
